BKC60811 Front Brake Upgrade Kit

September 28, 2012

Do to the fact that AJP no longer has service parts available, customers needing to rebuild AJP brake systems will be required to upgrade to the CARD Front Brake System.

Cobra has a complete kit that will bolt on to any 2008 - 2011 CX65. The kit (**BKC60811**) includes (BCC60072) brake caliper mount, 2x (HCBC0820) 8 x 20 socket head cap screws, and a completely bled and ready to bolt on (BAC60008) CARD front brake system.
