TSB0707: Cylinder head nuts on CX65 & ECX70

May 3, 2007

CAUTION:
The cylinder head nuts on the CX65 & ECX70 must be Grade 10.9. 2007 ECX70 & CX65 products produced prior to April 15th 2007 require updating. Visually inspect the cylinder head, and if the nuts are black, then they need to be replaced with Grade 10.9 parts (clear zinc coating), Cobra number HCNS0702.

If you have a 2007 Cobra CX65 or ECX70 and need this upgrade, call 517 437 9100 x115 and provide Customer Service with your model and serial number. The upgraded fasteners will be provided at no charge.
