TSB0714 2007 - 2011 CX65 Replacement Engines

January 24, 2014

Effective immediately, Cobra no longer has replacement engine cases for 2007 - 2011 CX65 engines. If a customer requires CX65 engine cases for these model years, or if they need a replacement engine of these years, they will be required to purchase 2012 CX65 engine with the power valve fixed in the open position.
