TSB0807: Cylinder for ’01-’06 CM & ’98-’03 King

May 4, 2007

The cylinder (ECKG0041) used on 2001 – 2006 CM & 1998 – 2003 King motorcycles has become obsolete. The piston (ECMU0043) used with this cylinder is still available.

The ECKG0041 cylinder has been replaced with the cylinder used on the 2007 CM (ECMU0052) and is to be used with 2007 CM piston (ECMU0060). These are sold together in a cylinder kit ECMU0129.
