TSB1112 CX65 Rear Brakes for MY 2009 - 2010

April 10, 2012

Effective immediately, Cobra can longer maintain an inventory of rear calipers from AJP that were used on the rear of 2009 – 2010 CX65.

Customers requiring a new system or replacement caliper will need to purchase a new 2011 brake system (BAC60005) and caliper bracket (BAC60006).
