TSB1410 Cobra 2010 CX65 Carburetor

The production carburetor for the 2010 CX65 has been changed from Mikuni VM24, RCC60015 (24mm carburetor) to Cobra Mikuni 26, RCR60026, (26mm carburetor). Customers with 2010 model CX65 built prior to this change may send their carburetor to Cobra for the updates at no labor charge (customer is responsible for shipping charges and the cost of two jets).
