Carburetor Bowl Kit for CX50
TSB00217

We have available a new carburetor bowl and accessories for the Dell'Orto PHBG that will reduce a motorcycle's tendency for 'landing bog'.

The kit (RKMU0001) includes a bowl with threaded main jet access, an extended length bowl plug with gasket, and an extension for the main jet that threads between the main jet and standard atomizer. The bowl may be either black or unpainted.

The kit retails for $29.88 USD

New carburetors with this kit already included are listed below;
