2017 JR & P3 Radiator
TSB1917

The 2017 JR & P3 manuals incorrectly have the number listed for the 2017 radiator. It should be FACJ0005.

The 2017 JR & P3 radiator has the inside louver mounts welded to the radiator whereas 2016 and older (FCCJ0004) has the inside louver mounts welded to the frame.
