JR/P3 Bottom Triple Clamp & Fender

Cobra CX50 JR and P3 models produced from today forward will have a different bottom triple clamp. These customers will be using front fenders common with the King model.

This change was executed only to commonize this part across all 50cc motorcycles. There is no difference in performance between the old and new styles.

	2018 JR & P3 models	
	Pre-January 9, 2018	Post January 9, 2018
