TSB0622 Dell'Orto Carburetor Tops

The service replacement carburetor tops that Dell'Orto sent us for servicing Dell'Orto carburetors on Cobra CX50P3, CX50JR, CX50SR, and CX50FW are made of steel. The ones that come supplied on the motorcycle as delivered are plastic. There is no functional advantage with one material or the other and can be used interchangeably.

Picture below shows the plastic one assembled on the carburetor and the steel one beside.
