TSB0524
CX65 shift forks

Cobra will be transitioning to a new shift fork during the 2024 model year. The old and new forks are 100% interchangeable. When we are out of the old part the system will automatically update build and orders to the new number.

	Old number	New number
Output shaft fork	ECDC0049	ECC60256
Primary shaft fork	ECDC0048	ECC60260
