CSB0225 Battery Chargers for E3

October 22, 2024

The 2025 Cobra CX3E is a 48V product. The low power battery charger that comes with this bike will only charge 48V products.

Cobra has two high power charging options: one will only charge 48V products and the other will charge both 48V and 60V products.

The table below shows this more clearly.

Description	Part number	Retail cost	Upgrade cost
Stock low power charger	DAMU0003	$448.88	FREE WITH BIKE
48V high power charger	DAMU0002	$648.88	$200
48V/60V high power charger	DAMU6012MP	$848.88	$400
